

SUPPORT THE SAFETY AROUND WATER INITIATIVE

SWIMSUIT DRIVE

May 3- 30

Boys and Girls sizes 6—adult

To keep kids safe, YMCA is offering free water safety instruction to hundreds of children this summer.

You can join the United Way in helping our Partner Agency by supporting the Safety Around Water Initiative. Just buy a new swimsuit and drop it off here. It will be distributed during the water safety instruction to youth in need, ensuring they are prepared to succeed and have fun!

Please contact (315) 428-3028 or email sedwards@unitedway-cny.org to schedule drop off.
