

MANUFACTURING DAY

OCTOBER 5 & 6, 2023

Manufacturing Day is a national effort led by the Manufacturing Institute, encouraging companies to open their doors to students, parents, educators, and community leaders.

JOIN US: Explore Modern Manufacturing With Your Students!

While National MFG Day is Oct 6th, MACNY, The Manufacturers Association, will celebrate on Thursday, October 5th and Friday, October 6th with **tours of companies across Central New York!**

This is an opportunity to spark an interest in modern day high-tech manufacturing careers and to learn about the great products made locally.

What to Expect From Us

- ✓ Coordination of tour logistics with local MACNY member companies.
- ✓ Facilitation of registration in preparation of your class for the day of your tour.
- ✓ Regular communication as the intermediary between you and your tour site.
- ✓ Ways to continue connecting your class with local manufacturing career pathways.
